MATERIALS GUIDE

PURPOSE

The *Materials Guide* has been created to facilitate public access to the documents researched by and created by the Premier's Commission on Future Health Care for Albertans. It is also intended to serve as the BIBLIOGRAPHY to the Commission's final report, *The Rainbow Report: Our Vision for Health*.

DESCRIPTION OF MATERIALS

Listed in this guide are materials used by the Commission during its two-year mandate to review the current system of health care in Alberta and to make recommendations for health care in the 21st Century.

The *Materials Guide* is a catalogue to Commission materials available for public use. The majority of materials used by the Commission are identified in this separate publication which has been distributed to libraries throughout the province to assist those members of the public wishing to locate and examine the materials.

The documents of the Commission are in a variety of formats:

Library Print Materials	These materials are primarily books, journals, studies and reports.
Working Papers	In this category of materials are working papers produced by the Commission and unpublished papers used by the Commission.

Video Recordings	Video recordings were made of submissions at Commission-sponsored public hearings held in Edmonton and of some Town Hall Meetings.
Sound Recordings	Conferences, seminars and workshops were recorded as were portions of radio broadcasts concerning the Commission.
Newspaper Clippings	A file of photocopies of pertinent newspaper articles is available.
Administration Files	Certain files generated by the Commission pertain directly to the Report, e.g. Conferences and Workshops.
Submissions	All submissions to the Commission from individuals or organizations are available for examination.

LOCATION OF MATERIALS

At the conclusion of the Commission, the materials it selected were dispersed to other provincial depositories. Dispersal was determined in part by the format of the materials; consequently, Commission materials listed in this guide are located at:
